KEY FEATURES

Ruggedized to Withstand Demanding Conditions

Cold and rainy or hot and dusty, the Samsung Galaxy Tab® Active keeps on performing. It includes a free ruggedized protective case and withstands drops from up to 4 feet. It features daylight readability, an increased operating temperature range, a POGO pin for fast and easy re-charging, and a user-replaceable battery for up to 10 hours of productivity.

Enterprise-Ready and Productivity Ready

The Galaxy Tab® Active enables productivity for in-office and on-premises mobile workers. The included C-pen features a firm, narrow tip for note-taking and capturing signatures with a pen-like feel. NFC is included for data exchange between devices, while Samsung KNOX 2.0* provides enterprise-grade security. A three-year warranty with business support provides peace of mind.

Solutions-Ready

The Galaxy Tab® Active comes ready to work. It's certified Citrix® ready to take advantage of Citrix cloud solutions for mobility, virtualization, networking and cloud platforms. It's also SAP® certified for SAP Work Manager for complete asset management and SAP CRM Service Manager for complete field service capability. Additional solutions are being developed.

ENTERPRISE AND MOBILITY-READY UNDER DEMANDING CONDITIONS

With the Samsung Galaxy Tab® Active, work forces will be better equipped for in-office and on-premises work than ever before. With a ruggedized, anti-shock, water-resistant and dustproof case, the Galaxy Tab® Active can improve productivity no matter the environment. The Galaxy Tab® Active is also built enterprise and productivity ready with Knox 2.0 enterprise grade security. A C-Pen for note-taking and capturing signatures is included, and user-replaceable batteries keep the Active charged and operating for up to 10 hours. The Galaxy Tab® Active is solutions-ready, certified Citrix-ready, and SAP certified for Work Manager and CRM Service Manager, with more partnerships coming. Plus a 3-year warranty ensures peace of mind. The Samsung Galaxy Tab® Active.
